CHOCOLATE SYRUPS

Eight distinct all-purpose chocolate syrups will have you covered from sundaes to shakes.

- Processed with our proprietary continuous flow system, your patrons will enjoy consistent flavor and texture from every container.
- Made with only premium quality ingredients for rich flavor, intense color and optimal thickness levels.
- Unique blends of Dutch and natural cocoa cover the flavor spectrum.
- Squeeze bottle Fountain Supreme chocolate syrup saves time and eliminates the need to transfer from large container to your own squeeze bottle.

HOT FUDGES

You could make them yourself, or you could rely on Lyons for a variety of hot fudge sauces that match perfectly with your applications and needs. We even have two great flavors available in our convenient squeeze bottles.

- Made with premium imported cocoas and fresh dairy ingredients for traditional sundaes and the most elegant chocolate desserts.

- Rich n' Creamy Chocolate Hot Fudge and Old Fashioned Caramel Hot Fudge, save time and can be heated easily in their squeeze bottles.
- A wide range of options – from dark “European style” to rich, creamy, milk chocolates.
- Smooth, thick textures with superior draping characteristics.
- Hot Caramel and Butterscotch also available.

SUNDAE TOPPINGS

Put excitement and variety in your dessert menu with these high value toppings that are full of flavor and eye appeal.

- Fruit toppings are made carefully from handpicked fruits, many from our own orchards – the result is farm fresh flavor and color.
- Unsurpassed variety of toppings, flavors, and packaging options – the broadest line in the industry today.
- Butterscotch and Caramel toppings are created the old-fashioned way by “scotching” and “caramelizing” premium ingredients.

FROZEN FRUIT TOPPINGS

Only fresh or individually frozen premium quality fruit, and all-natural ingredients go into our ultimate line of dessert toppings. Top your special dessert and breakfast creations with “fresh picked” flavor all year-round.

- Our proprietary process ensures fresh picked flavor, naturally bright color, and superior fruit identity.
- Each flavor is always the perfect consistency.
- Handy pint pure-pak cartons are easy to open, store and dispose.

GOURMET DESSERT SAUCES

Our gourmet sauces will add an entirely new flavor dimension to your extra special desserts. Super premium quality is combined with ready-to-use convenience in a line that gives your dessert menu new possibilities and taste sensations.

- Sinfully rich chocolates, exquisitely crunchy nuts, and bright, fresh-flavored fruits make the industry’s highest quality commercially prepared product.

ICE CREAM NOVELTIES

Convenience and flair come together in our flavor packed and eye appealing cone coatings and decorettes.

- Coco and Rainbow Decorettes are a simple and inexpensive way to add eye appeal to desserts, especially children’s menu items.
- Chocolate, Butterscotch, and Cherry Cone Coats form a firm shell on frozen desserts, soft serve, and hard packed ice cream.
