

# LYONS HAND MIXED FORTIFIED JUICES

Food service operators, look no further than Lyons for a simple solution to serving premium products without a complex dispensing system. Hand mixed juices are packed in a convenient 32 oz container and when mixed with water yield one gallon of finished product.

## FORTIFIED JUICES

Our concentrated fortified juices come in three delicious flavors; orange, apple, and fruit punch. Each juice flavor is full of beneficial vitamins that the

body requires every day, your guests will feel refreshed knowing that every 8 oz serving of Lyons Fortified Juice contains:

- 100% Juice
- 30% DV of Calcium
- 200% DV of Vitamin C
- 25% DV of Vitamin D

## PACKAGING & SERVING

Lyons Fortified Juices are conveniently packed in 32 oz containers which eliminate the need for an involved dispensing system. Just add water, mix and you are ready to serve. The combi cartons are easy to store and break down producing less solid waste than other packaging helping the environment and operator cost.
