## REAL Tea Taste & Quality

*Setting a new standard for convenience in iced tea!*

- Captures the taste and experience of freshly brewed iced tea
- Fresher, fuller flavor than other concentrates
- Consistent taste and color, glass after glass

## REAL Convenience

*Make what you need when you need it!*

- Minimum prep time
- Zero waste
- Easy to clean dispenser

## REAL Safety

*Refreshment you and your customers can rely on!*

- No holding time in dispenser eliminates spoilage
- Advanced brewing technology guarantees a bacteria-free product

## REAL Simple

*Real Brew® Iced Tea Dispensing System is remarkably easy to use!*

- No brew baskets or dispensers for improved safety and convenience
- Simple drink strength adjustment for a consistently great taste
- No electrical parts for dependable operation
- No holding in dispensers cuts sanitizing time to once a week
